Subject: Upcoming Santa Clara County Public Notice - BAAQMD Permit Application #481043

BAAQMD Board Members:

The Bay Area Air Quality Management District is currently evaluating the following permit application for a proposed project in Santa Clara County that is subject to public notice requirements under Air District regulations:

Application Number: 481043
SJSC Properties LLC
181 East Santa Clara Street
San Jose, CA 95113

Project: Emergency Standby Diesel Generator

The public notice will be distributed by mail to all addresses located within 1000 feet of the proposed equipment, and the parents/guardians of students attending the nearby Horace Mann Elementary School and St. Patrick Elementary.

The public notice will be issued after the Air District completes a preliminary evaluation of the proposed project. It is estimated that the notice will be issued within the next 15 days.

If you would like additional information regarding this permit application, please contact me by telephone at (415) 749-4721, or by responding to this e-mail.
